

### 48 Dampier Crescent BURDELL QLD

4 2 2

This home really is perfect for the family. Only 9 years old and a yard where you could let your imagination run wild. Plenty of room for a pool and much more, add to this a great size veranda to relax and take it in. With gas hot water and cook top your energy bill will be minimized. The kitchen has oodles of cupboard storage space and is the center of the home. With a separate media room this home doesn't want for much at all. Make sure you put this one on your list of properties you must see!
