If you are looking for a quality home in a great location at a bargain price then look no further. You won't find a better opportunity than this to purchase a family home in the well-established part of Kirwan. This home is in a very central location and is opposite a park. This home offers three large bedrooms all with built-in robes & air-conditioning. The spacious master bedroom has carpet and an ensuite and glass sliding doors which open out on to the stunning gardens with all its green tropical plants. The living areas are open plan and very spacious. The lounge is sunken and has cathedral ceilings, so does the kitchen and dining room. There is a separate sunroom/family room this room has 4 sets of glass sliding doors one that opens at the barbeque area, another to the double remote garage, another to the dining room and another that opens on to a tiled nursery (for plants). All the home is tiled except for the master bedroom it has carpet.

The gardens in this home are absolutely stunning there has been a lot of hard work and love gone into them over the years to get them to this standard. Anyone who likes to do a little bit of gardening would be proud of them the pictures do not do them justice.
