27 Fuller Street HEATLEY QLD

3 **1** **2**

This solid 3 bedroom home needs a revamp, structurally solid, situated in a family friendly suburb close to shops, schools, transport and only 5 minutes to Stockland. Low set red brick with air conditioning throughout and ceiling fans. A breezeway separates what could be a study, a playroom for the kids or even a 4th bedroom/teenage retreat. The yard is flat and fenced, again waiting for someone to add their touches, gardens will be no problem here as the bore will keep the water up to the lawns. The property currently has carpet in all rooms and vinyl in the kitchen and dining area. Easily updated and made into an investment property or is ideal for first home buyers wanting to add their flair to the property. Large double carport to the front enables access to the property without getting wet. Owners will take offers prior to Auction.
An inspection will not disappoint. Arrange one today.
