22 Lamington Road WEST END QLD

This 1920s Queenslander home, has been enhanced beautifully over time with contemporary undertones. The white on white interior reflects pure style while the wide pine flooring, tongue and groove walls, fretwork and traditional ceiling roses remain proudly intact.

Open plan yet segregated where needed, this home is incredibly functional for family or couples alike. The central hallway provides a buffer between bedrooms and the large living area. An oversized practical white kitchen with serious bench space services separate dining and the large deck.

Centred on a beautiful 809sqm block with side access and plenty of room for boats or extra vehicles, this home is city proximate yet wonderfully grounded.
