If space, perfection and quality of renovation is your inclination, then this gorgeous two level family Queenslander is worth your serious consideration.

This sublime home retains all that we love while integrating modern sophistication. Virtually a new build (Form 21) with new roof, insulation, electricals, plumbing and awash with high-end finishes such as LED lighting, bluetooth speakers, Schlage fittings and 12mm quality timber flooring.

Spanning over two levels, this lady offers an abundance of separate living spaces while the kitchen with a divine butler's pantry will centre your family.

Thoughtful design elements include a mud room, separate study from kitchen and fabulous deck. The 809sqm flood-free block allows the family to run or Dad build his dream shed.

Renovated with entertainment and family as its focus; this home is truly the complete package. One viewing is all it will take...
