Audacious contemporary charm combines with stately elegance in this fastidiously renovated residence. Honouring her blueprint of the past, celebration of the 3.9m ceilings, wide hoop pine flooring, unique casements and beautiful etched glass feature have been inclusive in her transformation.

You will appreciate the luxury of space with enormous open plan living and dining, enclosed front sizeable veranda ideal for relaxed afternoons, or the rear living area with bi-folds to decking; a great space for children to play.

The kitchen is pure class with feature Pillsborough marble servery, Essastone bench tops and five burner gas stove. It is the master suite that will impress; exquisite cabinetry to the walk-in-robe and hexagonal tiles to the master bath add to the luxurious but restful retreat.

Combine this wonderful offering with the fact that it is located on a quarter acre block with Castle Hill views, substantial powered workshop, storage room, 6 car parks to the rear; all within walking distance to The Strand and Castle Hill. You will relish this gorgeous offering.
