

Harcourts Kingsberry

51 Deedes Crescent BUSHLAND BEACH QLD

This block is very unique in respect that not only do you have an ocean view but you also have mountain views as well. The middle of the block is on the ridge and is pretty level, so the building cost will be more reasonable. The block is 678m² and is very well priced. If you are looking to build or just buy for investment make sure you stand on this block and see for yourself.
