With only a short walk to everything, this is the house you have been looking forward to coming to the market, whether it's to be close to schools, shops, public transport or you just like the idea of being able to go for a bike ride around Anderson park or to Aplin's weir.

If that is not enough to inspire you to purchase your new home, it is also surrounded by lush tropical gardens, with an open plan design. Of course, with all high-set homes there is heaps of room to entertain downstairs. Equipped with a work shop with a large storage room and its own bathroom.
