

**69 Primrose Street BELGIAN GARDENS QLD**

3 1 1

Imagine waking up every morning with a gentle sea breeze cooling the house as you prepare for another day in a tropical paradise! While most people have to deal with the suburban drudgery of city bumper to bumper traffic all the way into work you could have the option of an easy bike ride or a walk along the coast with the sand between your toes to start the day. Your family can have it all - a holiday lifestyle with only short walk to our very own world renowned Strand or to Jezzine Barracks landscaped gardens.

This is the way of life that only a chosen few can enjoy! If you are looking for a family home where not all the hard work has been done or a home that can offer numerous opportunities such as building a deck off the lounge/dining room that overlooks the yard and the massive shed or perhaps finishing the second bathroom downstairs which will give you the advantage of even more living space - then this home is for you!

The home can be viewed online, private inspection, or Facetime so there is no need to wait call today before it's too late.
