

3 Hexham Close BURDELL QLD

5 2 2

I think we have all learnt our lesson from the stock market after the GFC and now Corona Virus! NOW is the time to get back to investing in something solid like bricks and mortar, something that you can feel for once and not see dropping away in front of your eyes on the computer screen. Or maybe you have decided to move up from the heavily over populated southern states and you want to set down some roots in a warmer climate that brings you some relaxation back into your family's life.

3 Hexham Close, Burdell is worth a peek! Offering 5 bedroom's, open plan living all air conditioned, a large back yard with side access for the boat or shed and a fantastic patio for evening BBQs with the kids. This home really does have it all for the family. Being so close to schools, shops and Bushland Beach it will tick all the box's.
