

14 Deloraine Street KIRWAN QLD

4 1 1

That's right with interest rates at an all-time low there has not been a better time to chase the spiders out of your pockets and break into the Townsville real estate market. With 14 Deloraine Street you don't even have to skimp on quality - the whole home is ready for you to move straight into. The house itself has it all - 4 bedrooms with built-in's, air-conditioning, new carpet and brand new tiles in the kitchen dining room, it is really as neat as a pin even the bathroom has been recently renovated.

Positioned on a 600sqm block there is room for the family dog and for the kids to kick a footy under the mango tree while dad cooks up a storm on the outdoor patio. So run for the car keys and view this great property - there has never been a better time to move into your own home.
