

16 Werona Street MUNDINGBURRA QLD

3 1 3

Mundingburra has long been a tightly held suburb for families with its central location and close proximity to some of Townsville's best schools. Being such a popular suburb means opportunities to move your family into this fantastic area do not come often.

But, the wait is over! Are you looking for somewhere that has at least 3 bedrooms all with built-ins, because you want to be fully air-conditioned for summer? And of course, a house is not a house in North Queensland if it does not have a deck for entertaining on the weekend. Well, you are in luck!

We have just listed 16 Werona Street which will make the perfect home for any family, whether you are wanting to be in a tree-lined street with established gardens or you like long Sunday morning bike rides along the river. The owners have even put solar on to keep your power bills down! An inspection of this home is a must-do, so call today to arrange a viewing.
