

28 Dune Parade BUSHLAND BEACH QLD

Looking for a sea change from the city? There comes a time when enough is enough when you want to wake up and smell the roses not the cars driving past.

Bushland Beach is one of the locations where you can leave the rat race behind go for long walks along the beach as the sunrises over the Coral Sea, Magnetic Island and on a clear day right across to the world heritage Hinchinbrook Island. Or perhaps your kids like to go for long bike rides with their friends along the myriad of pathways and trails that crisscross their way along one of Townsville's most loved beachside suburbs?

With all these lifestyle choices on offer - you will need the perfect block to build your dream home on, one that can take advantage of the sea breezes in the late afternoon or one that you can design a deck that you can overlook the whales as they make their way up the coast to their winter hideaway.

28 Dune Parade is perfect in every way and is situated right on the beach front. Take the time to give me a call and we can discuss all the options of making your dreams

Land Size : 535 sqm
