

30 Eucalyptus Avenue ANNANDALE QLD

This home is immaculate and every detail has been addressed. Is it a home or a work of art? I'll let you be the judge. Make sure you put this one at the top of your list as a must see this weekend. With everything done for you, you can move in and relax and enjoy your new home. This fully air-conditioned 4 bedroom home, the main with ensuite has a place for everyone in the family. There's a formal lounge and dining room as well as a family room. The kitchen has recently been replaced and has all the modern appliances and is very functional. As well as the laundry there is a sewing room/home office with lots of cupboards for storage. Outside the rear patio not only has plenty of room for entertaining but also a wood-fired pizza oven. The in-ground pool has a great deck to relax and soak up the sunshine. The double garage has a workshop area on the side and there's a solar system on the roof. There's too much to mention so make sure you see for yourself.
