3  1  1 

The market place is becoming a feeding frenzy at the moment, but it's not too late to take advantage of Townsville's budget busting housing market and buy today! Newly listed, 9 O'Kane Court, Vincent deserves to be at the top of your list this weekend because if you wait, it could be too late!

In a market where you may think there are no bargains left, you will be surprised at the space you get for your money with this property. Sporting a massive 1,014 m² yard, there is room for a shed, pool, and even a game of cricket. The home itself features 3 bedrooms plus a study, polished timber floors, air-conditioning for those warm balmy tropic nights, and even a fully lockable underneath. The large timber deck out the back is great for family get-togethers and the fully fenced yard is perfect for the family dog. Don't hesitate with this one or you'll be too late again!
