17 Thorley Street HEATLEY QLD

4  2  1 

Everyone procrastinates from time to time but we are finding that the smart buyers are starting to fire up and take advantage of Townsville's current market. If your dream is to purchase your own home - you now have the opportunity to take advantage before the market achieves its previous high and becomes out of reach. Investors with keen eyes for the current market opportunities will be able to achieve serious equity in their properties in the coming years - but they will need to make sure they have the seven ticks like 17 Thorley Street, Heatley does. Believe me - this home has it all - 4 bedrooms, 2 bathrooms, close to shops and schools, public transport and of course easy to maintain yard with a shed for all of your storage needs - all located in a quiet family friendly street. If you're ready to step it up this year and make your dream a reality - call now and make an appointment before it's too late!
