Escape to the country on a big block with plenty of space for a shed and pool while still being less than 20mins from the city centre.

Walk in through the extra wide front door where your new life awaits! The stunning Hamptons-style kitchen is appointed with stone benchtops, servery window and breakfast bar ensuring you can wake up and have coffee while watching the kangaroos graze through the misty back paddock. A freestanding gas cooker and large bench space will keep the chef of the family happy, while the kitchen's central location will still ensure they are still part of the family conversations at dinnertime. The modern Hamptons style continues throughout with neutral grey tones, LED downlights, crisp bathrooms, and hardwearing timber plank flooring. The master suite has its own access to the patio, generous walk-in robe and ensuite while the remaining three bedrooms have built-ins. All windows give plenty of natural lighting as well as roller blinds for sunnier days. This fabulous house offers gas hot water for those cold mornings and split system air conditioning throughout, not that you'll need it much with the great breezes!
