This spacious family home has two completely separate living areas plus dining to ensure the parents and the kids each have their own space. The large back yard has stacks of room for the kids and dogs to run or to add a pool if you so desire:

- \* King sized master bedroom with modern stylish ensuite and walk in robe is at the front of the house with good separation from the other three
- \* Three more queen sized bedrooms all with built in robes
- \* Family bathroom is also crisp and clean and boasts the shower separate from the bath with the toilet in it's own separate room
- \* Large tiled formal lounge at the front of the house has good separation from the casual living area and would make the ideal spot for parents to relax
- \* Second tiled casual living area off the kitchen opens out to the patio and is the perfect spot for the kids to entertain themselves
- \* Separate dining space off the other side of the kitchen
- \* Beautiful kitchen is the centrepiece of the home and has a huge bench top to allow you to spread yourself out while cooking. Electric appliances, walk in pantry, large fridge
