This unit WAS NOT flood affected in the 2019 floods! This complex is tucked away in a quiet little spot beside the golf course. A lovely small complex situated on the river bank with a really nice feel. This two bedroom, two bathroom unit has just had new carpets installed in the lounge and both bedrooms. The kitchen has had a makeover with cesar-stone bench-tops and heaps of storage with a dishwasher provision. The main bedroom had a walk through robe to the ensuite and a sliding door to the rear. The second bedroom has direct access to the main bathroom and a built-in robe. The lounge is spacious and open with three sliding glass doors to the rear patio. The garage has a remote roller-door with a large, enclosed laundry at the rear of it. This is a very tidy unit with affordable body corporate fees.

This will not be on the market for long, so make sure you get in quick.
