Fully embracing the tropical outdoor lifestyle, the back of this home has been transformed into a fully covered and tiled living area and an outdoor kitchen. This area extends out to the inground swimming pool with a timber deck.

The home is spread out over four levels, the ground floor garage with laundry and room for storage or workshop. The next level has a bathroom and a living room which opens onto the outdoor living space. The next level is the main living room, dining, and kitchen. The top floor has the three bedrooms and the main bathroom.
