

4/5 Roberts Street Hermit Park QLD

2  1  2 

When you are looking for an investment property, or if you are looking to downsize, there is always one thing that makes any property stand out from the rest and that is its location! With our newest listing to hit the market, this is one that ticks all the boxes, close to shops, schools and literally minutes from everything. Location is not the only thing that separates this fully renovated 2-bedroom unit from the rest of the properties on the market - it has a massive undercover outdoor area that can be used for parking your cars or entertaining friends and family on the weekend! This sort of space is almost impossible to find in any unit.

Make no mistake, this property is a must to put on the top of your list this weekend - the owners have made a clear commitment to sell and have stressed they will look at all serious offers.

We dare you to compare, because we firmly believe if you are looking for this type of property, in this location, you will not find any better value in today's market. Currently rented for \$350.00 per week.
