14 Lara Street Cranbrook QLD

If you have missed out before, you certainly don't want to miss out again! We have just listed a great family 3-bedroom home right in the heart of Cranbrook. Whether you're looking to move in yourself, or you are wanting an investment property this home fits the bill perfectly.

Land Size : 607 sqm
View : <https://www.kingsberry.com.au/sale/qld/townsville-district/cranbrook/residential/house/7811591>

Set on an easy care 607m allotment that is perfect, you have enough space to have a garden or a pool, but it is still small enough that you will not be spending all weekend outside mowing. The home itself is of solid masonry block construction, with good size bedrooms all fully air conditioned with an almost brand-new kitchen. There is even a small shed at the rear that is perfect for a craft room or could perhaps be turned into a teenage retreat. Either way, we should not have to remind you that homes like this are not on the market long and you will need to be quick.
