

27 Britomart Street Bushland Beach QLD

This large 911sqm gently sloping block offers exceptional ocean views from the Palm Island Group in the west all the way around to Magnetic Island in the east. Surrounded by luxury properties (including Bushland Beach's most expensive home ever to sell right next door) it is a prestigious enclave that only very few people ever get to experience.

Vacant blocks with views of this calibre are now nearly all built on in Bushland Beach so there will be very limited opportunities in the future to secure such a block.

Call the agent now on 0423 692 422 to discuss further or to meet on site to inspect.
