

Harcourts Kingsberry

54 Waterview Drive Bushland Beach QLD

This is one of the last opportunities to ever buy vacant absolute beachfront land again in Bushland Beach. That means it will also be one of the last opportunities to have an absolute beachfront home designed just for you - if you miss this opportunity now you will be forced in the future to buy a house somebody else designed for their particular needs - not yours.

Located on prestigious Waterview Drive this flat fully fenced block is surrounded by luxury homes and has ocean views to die for. There is a beautiful tree lined easement behind that adds to the postcard looks without detracting from the views. You can just sit back in the afternoons admiring the view or alternatively walk out your back gate to go fishing & crabbing or to simply take the kids and the dogs down to play

Price : \$ 460,000
