

29 Daintree Drive Bushland Beach QLD

4  2 

If you have a large family this recently renovated home will be ideal. The double garage has been converted into an additional two rooms on top of the four bedrooms that already existed. The rest of the house has also been extensively renovated inside making it ready to move in and enjoy with no further work required. The house sits on a large 839sqm block backing onto a large easement pushing your rear neighbours at least 50metres away. There is also easement to one side meaning you only have one close neighbour. Rounding out the package is a large inground pool for those hot summer days.

Please note that the conversion of the garage to the additional two rooms did not go through council and buyers should do their own due diligence into how that affects them.

This property was sold off market by Cameron Cole in a week to buyers from his extensive Bushland Beach specific buyer's database. If you want your Bushland Beach property sold call Cameron now as he has buyers waiting.
