Locations don't come much better than this if you want to live a North Queensland beach lifestyle. You can walk out the back gate into a grassed easement and wander down onto the beach in 30 seconds while watching the wallabies hop by. Once there you can fish for barramundi and mud crabs or just walk the dogs while the kids explore the beach.

This spacious family home sits on a large private 1439sqm block with a large pool and a back yard that could host a footy match or game of cricket. A huge tiled undercover back patio allows Mum and Dad to entertain their friends in the afternoon whilst keeping the kids in full sight as they splash around in the pool. Open up all the windows to let the afternoon sea breeze in and you may not even need to use the air conditioners:

- * Massive carpeted master bedroom is well separated from the rest and comes with it's own private patio and an over sized ensuite with nautical styling
- * Three more carpeted bedrooms all with built in robes and two with views of the back yard
- * Family bathroom has the shower separate from the bath
