This beautiful family home has it all. The avid gardener will feel right at home here with beautiful gardens creating a true rainforest feel in your own back yard. If that isn't enough you can wander 50m to the end of the quiet court to a large park where the kids and dogs can play all weekend long or alternatively three minutes in the car will get you either to the beach or the boat ramp. Both the house and gardens have been lovingly restored by fastidious owners so that now you can reap the benefits of all their hard work:

* Tiled and split system air conditioned throughout for cool low maintenance living

* Large formal lounge at the front of the house plus an open plan living & dining space on the other side of the kitchen opening out to the patio allows for good separation from the kids when needed

* Well laid out kitchen with five year old electric appliances, plenty of bench and storage options, walk in pantry and large plumbed fridge space for your ice maker fridge

* Huge king sized master bedroom has views out over the pool and comes with a walk in robe and modern stylish ensuite with stunning wall hung vanity with stone benchtop
